

Task 1 meeting WORKSHOP

April 27 14.00 - 18.30

IEA Photovoltaic Power System Programme

PV 2.0 - Post FIT Era: New Opportunities, New Players

Chaired by G. Masson, Operating Agent IEA PVPS Task 1

GSE

Auditorium

 14.30 Welcome Address L. Fracassi, Engineering Department Director, GSE 14.45 Introduction P. Frankl, Head of the Renewable Energy Division at the International Energy Agency, IEA (TBC) 15.00 WORLD FOCUS G. Masson, Operating Agent Task 1 of the Photovoltaic Power System Programme - International Energy Agency, IEA PVPS 15.15 ITALIAN FOCUS L. Benedetti, Head of Energy Studies and Statistic and Sustainability, GSE 15.30 WORLD OVERVIEW OF RECENT COSTS DEVELOPMENT M. Taylor, Senior Analyst, Renewable Cost Status and Outlook (IITC), IRENA 15.45 INDUSTRY, FINANCE AND RELIABILITY C. Cascella, Head of Business Development, Enel Green Power, "The Role of a Big European Energy Company in the New PV Market" F. Ferrazza, VP Renewable Cnergy & Environmental Technology R&D Program, ENI, "Technologies Breakthroughs for the PV Industry" U. Jahn, Operating Agent Task 13 of the IEA PVPS, "Technical Assumptions Used in PV Financial Models" 16.30 Coffee break 16.45 PV PENETRATION L. Marchisio, Business Development and Innovation Director, TERNA, "Managing RES Revolution on Electricity Grids" A. Iaria, RSE, IEA PVPS Task 14, "PV Impact and Flexible Power System Operation" 17.15 Round table - PV 2.0, POST INCENTIVE ERA MARKET Chaired by R. Vigotti, Secretary General RES4MED G.
